

WISE SSEP 2017

Nursery Assistant and Camp Educator

Ciara Kavanagh and Emily Stevens

What We Do in the Nursery

Weeding

Watering

Potting

Propagating

Our Experiences

- We weeded many beds in the nursery and the Alpine trough area located in the public part of the garden
- We helped out with programs such as S.O.A.R and SHAD Valley at the MUN campus by educating them on horticulture and mindfulness
- We propagated many native Newfoundland plant species for the Terra Nova Project

What We Do at Camp

- Educate
 - Hikes
 - Exploration
 - Responsibility
-

Our Experiences

- We taught the kids about nature and the importance of environmental needs such as composting and preserving habitats
- We showed the camp how to grow and take care of their own plants
- As well as plants, we educate kids about animals and insects too!

Activities with WISE

-Marine Institute tour

-Boat Tour

-Haunted Hike

-Med School tour

-Fun Night

Thank-you!

We would like to thank:

- Our supervisors, Tim Walsh and Christine Gillard, and all the Botanical Garden staff
- Our WISE coordinators, Maria Halleran, Allison Moyle and Rachel Tobin
- Our sponsor Service Canada
- All the wonderful MUN students we've met along the way
- And our fellow WISE participants
